

**ICBCI152TF/S**

**FEATURES**

- Integrated design, slim 38 cm width pairs well with other Wolf modules
- Magnetic induction technology provides fast and perfectly distributed heat
- 40% faster temperature response than gas or electric
- Incredible cooking control, with lightning fast high heat and very low lows
- Efficiently transfers heat, because energy is supplied directly to the cookware
- Cookware sensing guards against hot burners being left on
- Cooktop stays relatively cool for added safety and easy cleanup
- Easy to clean black ceramic glass surface
- Illuminated touch controls and convenient lock feature
- Rigorously tested in our U.S. manufacturing facilities for decades of use
- Exceptional support from our Customer Care team

Accessories available through an authorized dealer.
