

ICBIW-18

FEATURES

- Custom front panel and hardware allow for infinite design options.
- Dual evaporators for constant, moderate humidity so corks don't dry out
- Two independent temperature zones hold reds and whites at proper serving temperature
- Bronze-tinted, UV-resistant glass protects against light exposure
- Soft-on LED lighting illuminates gradually
- Home security system connection
- Wine racks accommodate 750 ml bottles, half-bottles and magnums.
- Intuitive touch control panel keeps temps within one degree of set point
- Rigorously tested in our U.S. manufacturing facilities to ensure decades of use
- Exceptional support from Customer Care team
- Star-K compliant with installation of a harness kit
- Illuminated display rack for prized bottles of wine
- Full-extension, easy-glide racks provide access without agitating wine
- New inventory tiles system lets you label wine racks for easy ID
