ICBDEC3050W

FEATURES

Offers any-occasion-146-bottle capacity

Easily customize settings with the tap of a finger via the conveniently accessible touch control panel

Store reds and whites in separate temperature zones that keep wines at proper serving temperatures, within one degree of setpoint

Full-extension wine racks provide easy access to standard-size bottles, half bottles, and magnums without agitating others

UV-resistant glass door shields wine from harmful light

Inventory tile system aids collection organization

Accepts custom panels for an integrated look within cabinetry or stainless-steel accessory panels and handles to match other Sub-Zero and Wolf products
