

ICBVW36G

FEATURES

Breathe cleaner air and enjoy less greasy residue in your kitchen

Add a contemporary element with low-profile ventilation with glass that adds an artistic look

Adjust as needed with recessed controls that provide a sleeker look, yet maintain ultimate blower control

Matches the same heavy-duty stainless-steel construction, hand-finished hemmed edges, and welded seams of all Sub-Zero, Wolf, and Cove products

Select from internal, in-line, or remote blower options (blower required)

Lights your workspace with two LED light bars with two brightness settings

Reach ceiling heights with its telescoping chimney

Minimizes the backward flow of cold air with backdraft transition
